2016 · This is probably the most controversial statement I'm going to say, "You don't need mastering, if your mix sucks". Why? Because like I said in my previous blog [What's the Difference Between Mixing and Mastering?](#), "Mastering ... You Mix Sucks YOUR MIX SUCKS Review - Is It Worth It? - If the mix doesn't need it, cut it somehow. It's not necessarily ... Mixed by Marc Mozart. - Home | Facebook Clean[Social Media vs. 5 Old Men] | Your Mix Sucks Podcast, Are you on the right side of this? Are you consuming social media, or are you a creator? Let me explain the world in 1995. It had a massive wall between creators and the audience. Keep the door open. Obviously,
